

Introducing **ParishPay**

How to support your parish with OLL Church’s convenient **automated giving** program.

When the ushers head down the aisle for the collection, are you frantically writing a check or hoping you have enough cash in your wallet? And, on those Sundays when you are unable to attend Mass at Our Lady of the Lake, do you remember to send in your offering?

Now, there’s a way to make your life a little simpler — **ParishPay**

With **ParishPay**, on the 5<sup>th</sup> of each month your offering to OLL is automatically deducted from your checking account or charged to your credit card. The advantages are numerous — both for you and for the parish:

- No more checks to write each week;
- You have the opportunity to decide in advance how much you want to give to the parish based on your total financial situation, not just on what cash is in your wallet;
- You are still part of the Offering of the Gifts by dropping a **ParishPay** card in the collection basket;
- The parish benefits greatly because *your giving is consistent*, whether or not you’re at Mass.

**And, best of all, it is so easy to participate!** You can sign up directly on line at **parishpay.com** or complete the form below and return to the parish . . . THAT’S IT. For more information, call Joanna Mattos at 729-6107.
