THE TIME IS NOW:

**The Campaign for Our Lady of the Lake Parish
and Rev. George A. Brown Memorial School**

September, 2006

During Mass this week you heard from one of our campaign volunteers about The Time Is Now Capital Campaign. This campaign has been in its quiet phase for the last six months. We are excited to announce that we have received over \$1.3 million in gifts and pledges from the following individuals. Many sacrificial gifts have been made in order for us to reach this milestone.

There have many volunteers who have been working since last spring to ensure that our campaign got off to a great beginning. We have had over 110 parishioners join in the campaign during this phase. Please note all of those who have already made their commitment to The Time Is Now Campaign.

You will receive within the next week, in the mail, a brochure that outlines the needs of the parish and the capital campaign. Please take time to read through this and give thoughtful prayer to what you can do to help us during this time.

We wish to thank all those who have contributed thus far to The Time is Now Campaign. Those with an * have also volunteered their time by serving on the Capital Campaign Cabinet. We look forward to adding your name to the list in the coming weeks.
